

**Rebecca Abraham of Lake Oswego Receives
Best Of Houzz 2014 Award**

***Annual Survey and Analysis of 16 Million Monthly Users
Reveals Top-Rated Building, Remodeling and Design Professionals***

Lake Oswego, Oregon, February 4, 2014 – **Rebecca Abraham Design** of Lake Oswego, Oregon, has been awarded “Best Of Houzz” by Houzz, the leading platform for home remodeling and design. The **design firm with over 30 years of experience in commercial and residential design** was chosen by the more than 16 million monthly users that comprise the Houzz community.

The Best Of Houzz award is given in two categories: Customer Satisfaction and Design. Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2013. Design award winners’ work was the most popular among the more than 16 million monthly users on Houzz, known as “Houzzers,” who saved more than 230 million professional images of home interiors and exteriors to their personal ideabooks via the Houzz site, [iPad/iPhone app](#) and [Android app](#). Winners will receive a “Best Of Houzz 2014” badge on their profiles, showing the Houzz community their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“Houzz provides homeowners with the most comprehensive view of home building, remodeling and design professionals, empowering them to find and hire the right professional to execute their vision,” said Liza Hausman, vice president of community for Houzz. “We’re delighted to recognize **Rebecca Abraham** among our “Best Of” professionals for customer satisfaction as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

With Houzz, homeowners can identify not only the top-rated professionals like **Rebecca Abraham**, but also those whose work matches their own aspirations for their home. Homeowners can also evaluate professionals by contacting them directly on the Houzz platform, asking questions about their work and reviewing their responses to questions from others in the Houzz community.
