

Dear AMR Supporter:

American Medical Response will host its 24th Annual Charity Golf Tournament on Friday, July 28, 2017 at Langdon Farms Golf Course in Aurora, Oregon to benefit FolkTime.

FolkTime is a non-profit community organization providing Peer Support Services to individuals living with mental health issues in the Portland metro area. Friendship, support and reintegration into community life are necessary components of mental health recovery and help break the cycle of hospitalization. It is FolkTime's mission to connect individuals through peer support and community-based activities. Since 1986, FolkTime has evolved from one small social program into an operation that provides one-to-one Peer Support in a variety of settings including clinics in Clackamas County and even the new Unity Center for Behavioral Health in Multnomah County. FolkTime's flagship program, the Free to Be Me Center, is a completely free, insurance-blind program that welcomes anyone working towards mental health recovery. This program relies entirely on donations from the community to keep providing this valuable service to some of Portland's most vulnerable citizens.

Please help FolkTime by becoming a sponsor for this fun and worthwhile event. All proceeds from the tournament will go directly to FolkTime.

There are several ways you can participate:

- Be one of our major sponsors
- Support a team
- Sponsor a hole and set up a table to promote your company
- Golf with us, bring a friend and have a great time
- Donate raffle prizes - gift baskets, gift certificates, goods and services

Please review the enclosed brochure for additional sponsorship information or contact me directly. Donations are tax deductible (#93-1222522). We thank you in advance for your support.

Sincerely,

Nichole Glotfelty
Tournament Coordinator

Aurora, Oregon

Mission Statement: Connecting individuals who share the experience of living with mental illness through peer support and community-based activities.

The FolkTime program opened in the fall of 1986. Jenny Stewart, the first program manager, suggested the name FolkTime after seeing how well people interacted in social activities and arts & crafts. FolkTime survived some tight times relying on small grants and volunteers. In 1996, FolkTime incorporated as a 501(c) 3 non-profit. Our current programs include:

Crisis Support - Peers in crisis clinics meet one-on-one with people in severe distress. They also participate in community visits and conduct outreach efforts in collaboration with Multnomah and Clackamas Counties.

Rural Outreach - People with mental health diagnoses can feel isolated even when surrounded by people. Those living in rural areas can face additional challenges. Our rural outreach program is a social program that caters to situations that are unique to rural communities.

Social Centers - Our social centers offer games, classes, music, art, outings and dial meals in a safe place. FolkTime is the only peer-to-peer social program in the tri-county area that is free and open to anyone over the age of 18, regardless of health care system affiliation.

Support In Clinics - Peers advocate for clients within the clinic and support them in the community to find natural supports for their long term mental health.

Health Resilience Peer Support - Our peer support specialist work with people who have complex medical needs, with two or more severe diagnoses. Peers facilitate connections with communities and activities that will support their long-term mental and physical health.

Residential Support - Peers host a peer lounge, group activities and community integration activities for residents in a support housing complex for people in recovery from addictions and mental illness.
