Sunnyside Meadows Memory Care Family Support Group

Thursday, June 22nd, 4-5 p.m.

Parts of the Human Brain

The Brain: an overview
of how it affects
dementia.

By Pepsi LaCamp,
Administrator at
Sunnyside Meadows
Memory Care.

The Family Support Group meets monthly on the 3rd Thursday of the month. The goal is to support family members with information, discussion and friendship. The public is welcome. Refreshments are served. The meeting is not appropriate for those with dementia.
