

# UNDERSTANDING MEDICARE

***Tuesday, June 13, 7pm  
Covington Library***

Just when you think you understand how Medicare works, there is a change in your plan or new plans to know! The Understanding Medicare presentation will explain the essentials of how Medicare works, what the options are and the different types of available products and prescription drug plans. Since this presentation is during the annual Open Enrollment Period for Medicare products feel free to bring your questions about plan changes. At the conclusion of this class, you will be able to make an educated, informed evaluation of what is available and what best suits your specific medical and financial needs. This presentation is for educational purposes only.

Neither the speaker nor We Speak Medicare.org is affiliated with the Federal Medicare Program.

Reasonable accommodation for individuals with disabilities is available; please contact the library prior to the event if you require accommodation.
