

Elder Abuse: Red Flags

And How to Help Older Adults

November 15, Wednesday, 3:30-6:30pm

- Recognize the red flags of elder abuse, neglect and exploitation
- Learn effective ways to talk with clients and families about it
- Understand your obligations as a mandated reporter (you are one!)
- Know how and when to report, and what happens after a report

Bonus: update from the Nov 1 WA State Elder Abuse conference

3 CEUs - \$60

Karin Taifour, MA LMHC GMHS, has provided training for the county and state bar associations, guardian and GAL programs, Adult Protective Services, hospitals, clinics, mental health agencies, and social services providers and has also taught graduate level courses. She is an active member of the Elder Abuse Council of Seattle / King County.

Where: Merrill Gardens Burien
15020 5th Ave SW, Burien, WA 98166

When: November 15, Wednesday, 3:30-6:30pm

Register and see information on other classes:

<http://agingcareconsult.com/events>

These classes count toward the 100 training hours Washington State requires for the Geriatric Mental Health Specialist credential.

Case managers, facility staff, and other senior service providers are also welcome.

These trainings have been approved for 3 CEUs for Washington State Licensed Mental Health Counselors, Licensed Marriage and Family Therapists, and Licensed Social Workers. WMHCA Provider #1708.

GUARDIANS: *These continuing education activities have been approved for Certified Professional Guardians by the Certified Professional Guardianship Board.*

LTC PROVIDERS: *DSHS has approved these classes for WA long term care workers continuing education.*

Helping you solve your puzzle so all the pieces fit into place
