Your gift of remembrance will honor a life!

Light Up A Life represents a time to celebrate life as well as support the mission of Care Partners.

Celebrate those who have died by dedicating your donation in memory of a loved one. Honoree names will be read aloud at our Service of Remembrance. They need not have been in hospice care.

You may bring a photo or memento of your loved one to be displayed at the Service of Remembrance.

Visit www.carepartnersor.org for more information.
