

All of the following are available on our website to help promote your company's programs and services.

Across the top of the website the following tabs:

Networking

(RetirementConnection.com/networking)

This page is helpful to find monthly meetings with other providers within the senior industry. Professionals within the retirement industry can use this page to share and access information, announcements, networking and professional events more effectively.

Events

(RetirementConnection.com/events)

Post your event online to increase attendance. Anyone who visits our website can select the regional area they are interested in to learn about things such as: Local Entertainment, Health Fairs, Expos, Open Houses, Special Offers, Important News and other great events and notices in their local community. As a sponsor of Retirement Connection, you have the exclusive benefit to post your event and let us help share information about what you have planned. Events will be approved by Retirement Connection staff and posted within 48 hours.

News

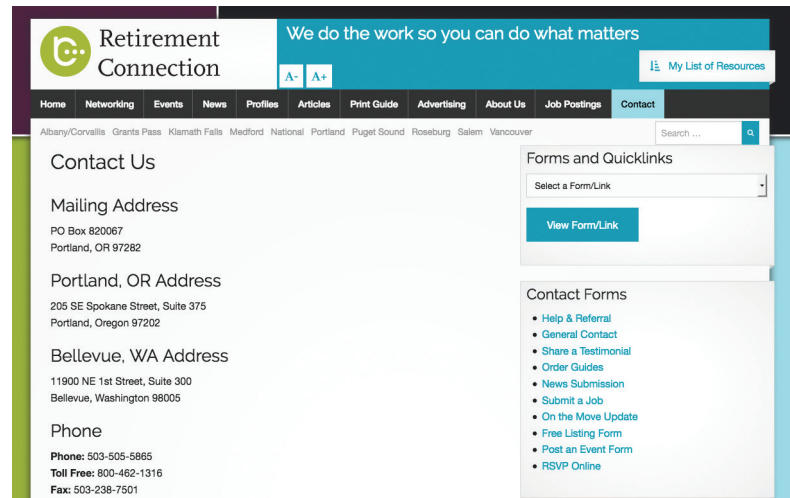

(RetirementConnection.com/news-information)

News submitted should be all industry-relevant and is a great way to get exciting information shared with our large long-term care audience. It can be a deficiency free survey, the start of an innovative program, or posting a scam warning.

Jobs

(RetirementConnection.com/jobs)

Retirement Connection posts professional or management level job opportunities for the NW Region and we are happy to provide this service at no cost to help you find qualified candidates for your positions.
