

ÆGIS GARDENS IN NEWCASTLE PRESENTS  
**ASK THE EXPERTS FREE CEU SEMINAR**  
PIRUZ HUDA, A.R.N.P.

**Integrating non-pharmacological and pharmacological interventions  
to treat Dementia Related Behavioral Disturbances  
in the primary care setting**

**Thursday, October 4th, 2:00-4:00pm**

**Piruz Huda A.R.N.P.**  
**Geriatric Mental Health**

Piruz Huda has worked as a psychiatric nurse practitioner since 2001, and he has spent the majority of his career treating older adults. He co-authored an evidenced-based dementia care training program with Dr. Linda Teri with the UW School of Nursing, and made dementia care education a key facet in his daily clinical practice. He is also a clinical instructor at Pacific Lutheran University, with an emphasis on geropsych content.

*Attendees will:*

1. Discuss the role of the geriatric health professionals in emphasizing the importance of evidenced based and effective behavioral management instructions to caregivers in the community/clinic setting when treating DRBD.
2. Describe the application of the DICE approach and the ABC's of behavior management during a patient visit.
3. Identify realistic expectations of pharmacological interventions to treat DRBD and to provide needed education to caregivers.

*This event is approved for:*

**0.5 pharmacology credits • 1.5 of Certified Care Managers credits  
1.5 of Social Workers credits**

Please RSVP to [sandra.cook@aegisliving.com](mailto:sandra.cook@aegisliving.com) or to 206-962-0707
