Laurel Wonder recently began working as a Clinical Services Specialist on the Multnomah County Older Adult Behavioral Health Team. Previous to this position she was a Social Worker with Adult Protective Services in both Oregon and Washington state. She has a Master's Degree in Social Welfare from University of California, Berkeley (Go Bears!). Ms. Wonder has spent her career supporting persons with complex needs, including people living with mental health concerns, persons with developmental disabilities and vulnerable older adults and persons with physical disabilities.

Come join us and learn:

- Recognizing invitations for help
- Reaching out and offering support
- Assessing the risk of suicide
- Applying evidence-based intervention model
- Learning about other resources and how they work with the Loneliness Line
