

## Simplify the Way You Search for Care

- 1 **FREE SERVICE**  
No charge to search or share availability. Personal information is not required, shared or sold.
- 2 **SAVE TIME**  
Just search in your zip code to find real time availability. No more endless phone calls.
- 3 **WORKS ON ALL DEVICES**  
Website can be accessed from computers, tablets and smart phones. No log in required!
- 4 **FAMILY SHARING**  
Create a list of care & housing providers, then share that list with family member via text, email or print.
- 5 **CARE PLANNING**  
Hospital & social service teams can search, filter & find services based on patient's specific needs required!
