

5 Reasons to Use CareAvailability.com at Your Hospital

- 1 SAVE TIME**
Our goal is to save every case manager 2 hours each day by eliminating time consuming research and repetitive calls and emails.
- 2 PATIENT FREEDOM OF CHOICE**
Create a complete and comprehensive list of resources in order to best respect patient Freedom of Choice. Filter the list to specific needs, then share that list with family members via text or email.
- 3 FREE SERVICE**
The service is free for hospitals, providers and families, it can be accessed from any smart phone, tablet or computer.
- 4 REAL-TIME AVAILABILITY**
This resource has become valuable during the pandemic by filtering real-time available options.
- 5 CARE PLANNING**
Search for availability, share a list with decision makers, view images & brochures online to narrow options and expedite decisions.

You can filter by distance, availability, payment accepted, medicaid, start of care date, or room type.
